Senator Dominick Moreno, *Chair*
Capitol Building Advisory Committee
State Capitol Building
Denver, CO 80203

Dear Senator Moreno,

On February 2, 2023, the Capital Development Committee (CDC) considered two recommendations from the Capitol Building Advisory Committee (CBAC). The first was to amend CBAC's criteria and procedures to allow it to spend money for presidential portraits rather than to rely on private fundraising. The second was to recommend the second phase, including cost estimates, for a signage project in the Legislative Services Building. The project requires CDC approval under Section 24-82-108 (3)(a), C.R.S. The CDC supports both recommendations.

If you have any questions or concerns about the CDC's recommendation, please call Bo Pogue, Legislative Council Staff, at (303) 866-5390.

Sincerely,

Representative Tammy Story
Chair, Capital Development Committee
